Financial Offering

Here we ask for a financial offering. We do not build our budget off these pledges; we just think it's important for disciples to plan their giving and not leave it for "leftovers."

We're asking you, then, to plan your giving to the parish for the year 2017. After reflecting on the Lord's goodness to you, what amount can you challenge yourself to pledge in regular giving for 2017?

\$ _____ pledge per month / \$ _____ pledge for the year.
